

2018 ELT Catalogue

Welcome to the world of learning

*Learning for everyone,
everywhere, and in
every way*

Pearson

Pearson

Our Mission is to help people make **measurable progress** in their lives through **learning**.

We are the biggest Learning Services Company in the world, with more than **35 thousand employees who work in more than 70 countries**.

We provide a range of **products and learning services** that include: programs and content in **printed and digital** format- **English and Spanish**, from pre-school to Professional Education, certification and assessment services, as well as **customized and personalized** professional and academic development programs that help people everywhere aim higher and **fulfill their true potential**.

Measuring Learning Progress (MePro), has **Efficacy** as its main element. This model allows us to **know in depth the needs** of our learners and propose the best progress plan, **measure their progress** continuously and accompany them in obtaining **relevant achievements** in their academic life.

In 2017, we received 1,395 entries for the **Pearson ELT Teacher Award** from nearly 190 countries.

The quality was outstanding, and over 34,000 people voted for their favourite entry.

Find out more and check out the 2018 award at pearsonelt.com/teacheraward

When you choose Pearson English,

you choose content, products and services designed to empower people to make progress in their lives.

We work together with professionals around the world to understand how to help learners of all ages reach their goals, investigate tough challenges and explore exciting solutions. We've seen ground-breaking curricula and cutting edge digital development, inspirational teaching and outstanding institutions.

We've learnt a lot.

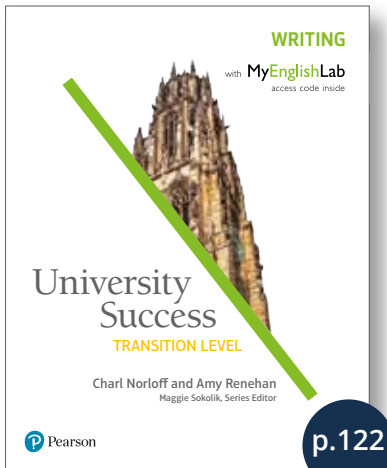

Pearson English would like to thank the tens of thousands of teachers who have shared their expertise, reviewed material, answered our questions and shaped what we do.

You can find the results in the pages of this catalogue.

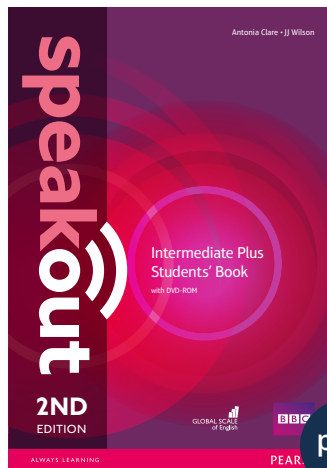

What's new?

Learning solutions that bring unique richness and depth to the learning experience

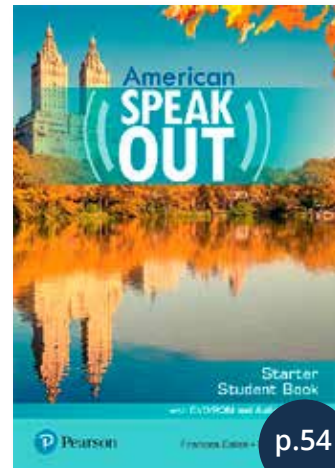

- ✓ easy to use in print and digital formats
- ✓ easy to customise
- ✓ designed to support teachers and learners

At Pearson, we're here to help you access better learning, wherever and however you need it.

It's easier than ever to find real-life English content,

online and all around us. With so much available, it can be hard to choose what's appropriate: the right values, the best fit for level and curricular goals.

At Pearson, we have a history of partnering with the brightest and the best to provide motivating material in the context of sound, educational values. We want to help you bring the world into your classroom and feel confident that you're developing your students' skills with the highest quality language content.

“

BBC Worldwide are proud to partner with Pearson English.

As organisations, we share a common vision to transform lives through education.

Together we've produced high quality content for English Language Learners, to stimulate discussion, hear authentic conversations and learn new concepts.

”

Andy Blustin

Head of Learning, BBC Worldwide

DISTRIBUTORS

“Students need to be able to communicate in a global community... This understanding must be reflected in our English language teaching.”

Bridin Harcourt, Turkey

Illustration by Lucy Vigrass

**When success
in English means
success in life, today's
learners and teachers
are ever more focused
on clear progress and
measurable results**

We've worked with the world's leading academic specialists, as well as over 10,000 teachers, to develop the Global Scale of English (GSE), transforming the way we recognise, measure and monitor English language learning and levels.

The GSE underpins everything we do to support successful teaching and learning: in this catalogue you'll see how our resources and courseware are mapped and aligned to each stage of the scale.

“

The Global Scale of English represents the most significant advance in performance-based approaches to language learning, teaching and assessment since the development of the Common European Framework of Reference”

David Nunan Ph.D, Professor Emeritus of Applied Linguistics, University of Hong Kong

“

As I am creating the curricula for our intensive English institute, I have come to embrace and highly value the Global Scale of English as a department manager, as a creator of assessment tools, and for the sake of our teachers and students. This has had a huge impact on my selection of authentic textual materials.”

Marilyn Glazer-Weisner, Co-ordinator, World Language Institute, Middlesex Community College, Massachusetts, USA

Preschool & Primary

Let's work together to give young learners the best start

Take a look at our new Primary materials, designed for teachers who instill confidence and inspire, and the students who thrive in their classrooms.

We've partnered with teachers and specialists worldwide to create unique blended learning solutions, to support learner progress and foster the development of valuable life skills.

How are your students getting on?

Pearson's new GSE alignment for young learners means that you can check, plan, review and measure progress.

Mario Herrera

ELT author, expert and teacher trainer 2017

It's not only about learning English, it's also about preparing contributing citizens for the future. Students learn not just to use English to communicate, but also to express their opinions, collaborate with others, defend their points of view and present their ideas with full confidence!

Preschool & Primary correlation chart

This chart is designed to show where each of our products fits with one or more of the following: CEFR, CYLET and Pearson Test of English Young Learners. This will help you to choose the course which best fits your students' needs.

and Android

Big Fun for a Big Start in English

BIG FUN

3 LEVEL ENGLISH COURSE FOR 3-5 YEAR OLDS

Teaches young children English in the same way that they learn their native language - by listening, imitating and repeating.

Share in your students' success as they:

Engage with themes that teach them English and so much more - math, values and nature.

Communicate about things they know and new ideas, whilst interacting with the colourful characters, stories and songs.

Build skills such as motor skills, social skills (sharing and taking turns), and life skills (critical thinking) through play and fun activities.

Get ready to progress to Primary school!

Big Fun for Tots

Series consultant: Mario Herrera

BIG Fun for Tots aims to teach children in the same way they are beginning to learn their native language—by exposing them to natural language, encouraging them to listen, imitate, repeat, and so on.

In BIG Fun for Tots, children learn English in the context of nine engaging themes. They focus on Math exercises, CLIL based activities, concept words and a variety of activities in relation to sensory development, fine motor skills, and gross motor skills.

Songs and chants are big in BIG Fun for Tots. The audio program features 65 catchy songs that children will quickly pick up. Chants in the Teacher's Guide will keep children engaged and energetic throughout the lesson.

Components:

- Activity Book
- Teacher's Guide
- Puppet
- Audio CD
- Flashcard

Kids!

Circle

**Kids' Circle is a six-level
American English course
designed for primary students.**

Pearson

Kids' Circle is a six-level American English course designed for primary students with little or no background in English.

Its solid, easy-to-follow program helps students develop the four language skills, with an emphasis on listening and speaking.

Stories, songs, and dialogs introduce everyday language that get students using English from the start.

Time to Think sections enhance critical thinking skills.

CLIL activities build skills and knowledge across a variety of subjects, like math, literature, culture, and language arts.

Extra classroom materials include posters, flashcards and exams that reinforce learning and help consolidate vocabulary and grammar structures.

Components:

- Student's Book
- Teacher's Book
- Posters
- Flashcards
- Puppet
- Downloadable extra materials: Exams, Audios and Photocopiables*

Make a **BIG** impact

Guiding learners from early childhood through the preteen years, Big Fun, Big English, Big English Plus and Shake up Science share key methodologies, align with key stages of cognitive development, and develop language and life skills in tandem.

BIG FUN

👤 Age 3 -5

For a Big Start in English

BIG FUN teaches young children English just as they learn their native language by listening, imitating, and repeating.

Prepares students for primary school, as they will:

- **learn language in context** through topics such as maths, values, and nature
- **engage** with fun, colourful characters, stories, and songs
- **build readiness** to read and write
- **develop** motor skills, social skills, and 21st-century life skills

BIG ENGLISH

👤 Age 6 - 12

Think Big! Dream Big!

As young learners' perspectives expand, BIG ENGLISH engages them with rich real-world content and builds valuable life skills.

Big English students will be prepared for the future through:

- **Content and Language Integrated Learning (CLIL)**, which incorporates real-world subject material to make English meaningful
- **learning 21st-century skills** to help them take on the world
- **Assessment for Learning**, because self-direction and confidence leads to success

BIG ENGLISH PLUS

👤 Age 6 - 12

Think Big! Dream Big!

Designed for more intensive school curriculums, BIG ENGLISH PLUS provides more reading, more grammar, and more exam preparation practice.

It also includes perfect partner MyEnglishLab, an online learning tool for personalised practice and assessment with a new Teacher assessment pack.

BIG ENGLISH PLUS students will be:

- **challenged** with more complex texts, grammar and new vocabulary
- **engaged** with more authentic reading about topics they find interesting
- **confident** in taking exams

Shake up Science

👤 Age 6 - 12

Explore, Learn and Discover Science through English

Shake up Science engages students in purpose-based learning and builds subject knowledge and language skills in tandem.

Shake up Science students will:

- **learn English through Science**, providing context to their understanding of the language
- **think like scientists**, using scientific practices to discover new ideas, test theories, and evaluate their understanding
- **build life skills** through activities that require critical thinking, collaboration, communication, and self-direction

SHAKE UP SCIENCE

Explore, Learn, Discover

**Get ready to explore,
learn and discover
Science through English
with SHAKE UP SCIENCE**

SHAKE UP SCIENCE is a new, 6 level science course for English Language Learners, that engages students in purposeful learning about intriguing and relevant real-world topics.

• **BUILDING UNDERSTANDING**

The comprehensive science content, is designed with the 5E (Engage, Explore, Explain, Elaborate, Evaluate) methodology, encouraging learners to discover new ideas, test theories and evaluate their understanding of scientific concepts.

• **LANGUAGE IN CONTEXT**

SHAKE UP SCIENCE enables students to see and understand the world in new ways. Asking questions, gathering information, testing ideas, and recording findings - students will master scientific practices and build their English language skills in context.

• **SKILLS FOR LIFE**

The inquiry-based approach includes many activities that develop essential 21st century skills, such as critical thinking, collaboration, communication and digital literacy.

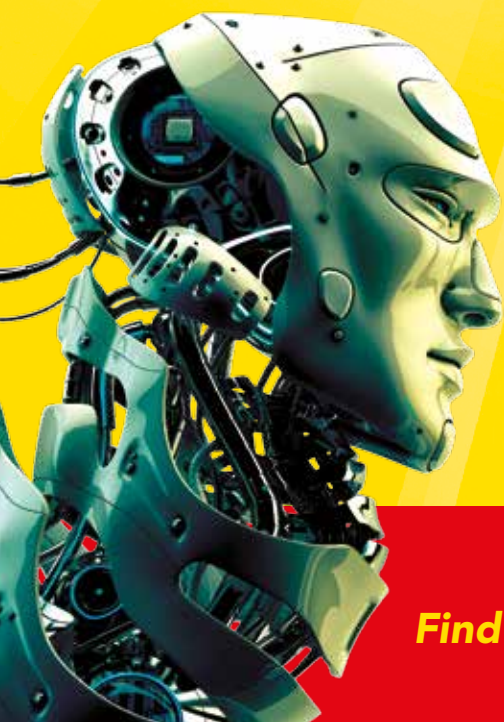

TEACHING SCIENCE WITH CONFIDENCE

Shake up Science provides a variety of support resources to ensure you teach Science in English with confidence.

Full list of components – page 29

Accelerating academic success for English language learners

Pearson Longman Cornerstone is a multi-level program designed for English learners and struggling readers aged 5-11.

- Provides explicit, intensive and focused instruction that accelerates students' language acquisition and reading comprehension skills.
- Develops vocabulary, oral and written communication skills that move them to achieve academic success and be better prepared to re-enter mainstream, grade level programs.
- Blends rigorous, research-based reading and language skills instruction together with a balance of content-area readings and age-appropriate, high-interest stories.
- Incorporates the Understanding by Design principle, which allows students to demonstrate their understanding and mastery of skills through multiple formal and informal assessment opportunities.

The perfect sequence for middle grade!

Pearson Longman Keystone Level A, just as Cornerstone, empowers students to discover new words, use their background knowledge, connect it to new information and take part in creative activities.

Keystone Level A makes the perfect link between Cornerstone and Keystone! Through a variety of activities, Keystone reviews and expands all reading strategies in Cornerstone; it continues to improve English skills in grammar, word study, and spelling. Fun projects help students demonstrate listening, speaking and writing skills learned through both Cornerstone and Keystone.

Keystone includes a mix of many subjects, such as Science, Math and Social Studies; enabling students to understand the vocabulary and organization of different types of texts and acquire the tools needed to approach school content.

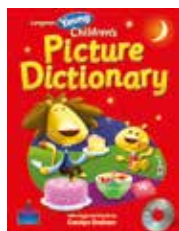

Technology Resources

- See the Student Edition, Workbook, Reader's Companion Selections and activities come alive on the *Student CD-ROM/eText*.
- Access the entire Teacher's Edition as well as all other print components, at a mouse click via the *Teacher CD-ROM/eText*, with all the components organized by unit and reading to make lesson planning easy.
- Use the *Audio CD* to access recordings of the readings, key vocabulary, academic words, and literary terms.
- Customize assessment with the electronic test generator provided on the *ExamView Test Generator®*.
- Online *Success Tracker* tests provide instant feedback, with reteaching and remediation worksheets provided.
- The *Companion Website* provides an online version of the Student eText.
- Provide background for each unit's Big Questions and themes via the Video DVD.
- iPad Apps include interactive flashcards for all key words, academic words, and literary terms, plus an engaging word check game

Middle Grades

Let's make sure that teenage students feel engaged and get results

Before our courses reach you, they've been tried and tested in classrooms around the world. Our new Middle Grades series address real needs, with exciting content from the BBC and great multimedia components.

They're designed to inspire and motivate 21st Century learners for success – now and in the future.

How are your students getting on?

Pearson's teenage courses are mapped and aligned to GSE objectives, to help you plan and reach your goals more easily.

Find out more at english.com/gse

Ken Beatty

*TESOL Professor at Anaheim University and
ELT author, expert and teacher trainer 2017*

Teenagers are rivers of ideas; language teachers help channel those ideas into clear meaning, empathy for others, and a sense of place in the world.

Middle Grades correlation chart

This chart is designed to show where each of our products fit with the Global Scale of English and CEFR. This will help you to choose the course which best fits your students' needs.

Keep Going for DGB

Michael Rost

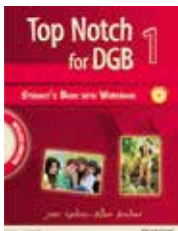

Help students develop skills and competences. Help them become proficient

Today's world demands competent people. Being able to use a foreign language means to face it in all possible ways. With an easy-to-follow lay out, Keep Going helps students develop their competences in the four skills. Following the standards established by the DGB program, *Keep Going* sets up the foundations to enable students to communicate in a foreign language (disciplinary competence 1) and to measure their progress at the end of every module (generic competence 1). All this, as well as providing many other learning outcomes described by the program.

- Authentic texts and achievable tasks in every spread, making it easier for the teacher to empower students
- Development of the four skills for every lesson through clear and sound steps
- Loads of teaching tips and additional resources available on the Teacher's CD-ROM
- Audio tracks available both on CD and online

	Level 1	Level 2	Level 3	Level 4

Top Notch for DGB

2nd Edition

Allen Ascher and Joan Saslow

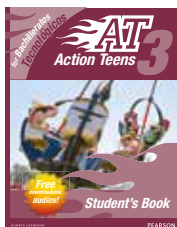

Make English unforgettable!

Top Notch for DGB is a dynamic 4-level course for international communication. This series sets a new standard by addressing the national standards for foreign languages established in DGB. With a rock-solid learner centered approach, Top Notch for DGB provides students opportunities to communicate in a foreign language (disciplinary competences 5, 11) and to monitor their own progress at the end of every module (generic competence 1).

- Essential model conversations to help notice language patterns and to provide samples of authentic social practice.
- Intensive vocabulary development which is equivalent to the word knowledge in the competence goals established in the DGB program.
- A wide array of learning strategies and activities that promote critical thinking and develop metacognition skills in learners

Action Teens for Bachilleratos Tecnológicos

2nd Edition

Andie Cowle, Walter Caine Henderson Jr and Berta de Llano

Engages students in language!

Action Teens for Bachilleratos Tecnológicos Second Edition, is a five-level series developed to meet requirements of the DGETI English Program for Bachillerato (2013) as it pertains to communication competencies and English as a foreign language.

Action Teens engages students in activities that are grounded in their immediate sphere of influence. With glimpses of the regional, national and global environment they are exposed to every day situations.

In this new edition, every unit opens with Diagnostic Activities, this gives the students the opportunity to revise their previous knowledge.

- Ample opportunities to review, practice and consolidate the language skills students have acquired in previous English courses.
- Free downloadable audios.
- ECAS included in Teacher's Edition.
- Partial and Final Evaluations.

Culture Close-up

Explore Cultures, Improve your English!

English teaching videos that familiarise secondary students with British and American cultures. All the videos are accompanied with student worksheets to help teachers make the most of their time.

The videos can be customised to support and encourage students with different levels of English. They offer alternative voiceovers and accompanying worksheets (easier and more challenging) and an on/off subtitles function to adjust the level of support to students' language proficiency.

www.pearsonELT.com/culturecloseup

For Teacher's access to online videos contact your local Pearson Representative.

Experience English,
Experience the

Wider World

Wider World is the portal to a fascinating world of English language knowledge and skills for the 21st century learner. The combination of authentic and engaging videos from the BBC with Pearson's ELT expertise gives teenage learners everything they need to achieve their goals in the wider world.

AUTHENTIC

Humorous drama, intriguing BBC culture and Vox Pop videos provide inspiring content and motivate students to use English as it is really spoken.

INTERACTIVE

Numerous opportunities for interaction with real-life content across print and digital formats allow students to develop their language skills at a deeper cognitive level.

RELIABLE

Thoroughly researched and challenging content delivered within the 'Assessment for Learning' principles improves students' chances for exam success.

Explore the Wider World yourself, watch fun and fascinating videos and receive free digital samples at pearsonELT.com/widerworld

Bob Hastings

Author Wider World

Authentic language is often messy and hard to understand but in Wider World we show that graded, comprehensible English can be natural, authentic and fun.

*We're here for the
world's learners*

*Learning opens
up opportunity
and enriches every
stage of life.*

We want to help people along this path of discovery and inspiration, cultivating a love of learning that enables a lifetime of progress.

BRINGING LEARNING INTO

FOCUS

COMPLETE OFFER

For the student:

Student's Book with Word Store
Workbook
Exam Practice Booklets
MyEnglishLab

For the teacher:

Teacher's Book and Multi-ROM
ActiveTeach for IWB
Class Audio CDs
MyEnglishLab

SOLID METHODOLOGY

Focus' methodology is based on 3Ms: **Motivation**, **Memory** and **Meaning**. These underpin the benefits of the course for learners, and signal its pedagogical effectiveness to teachers.

FOR MOTIVATION

FOR MEMORY

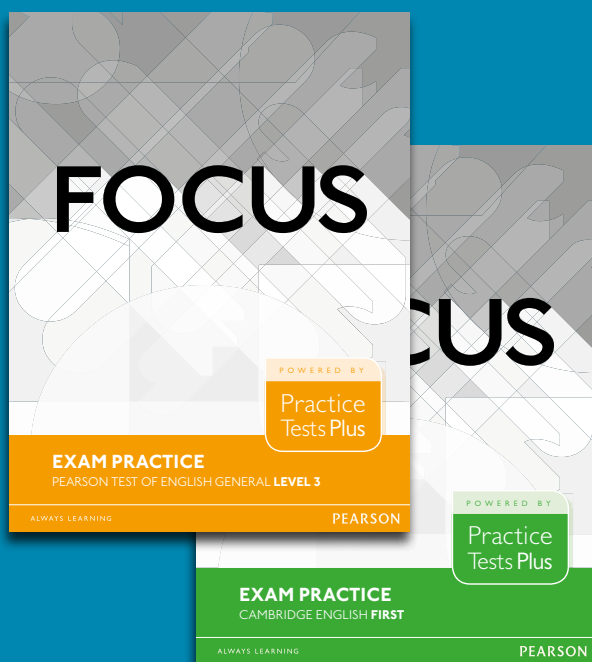

FOR MEANING

UNIQUE APPROACH TO VOCABULARY

Focus encourages students to **activate their vocabulary** with a wide range of diversified exercises and practice opportunities.

RELIABLE EXAM PREPARATION

Focus is an **exam-oriented course** that prepares students for both high-stakes and low-stakes exams.

DIGITAL CLASSROOM

Videos – Focus offers 24 videos per level that support grammar and speaking.

ActiveTeach – this IWB software is designed to enhance learning and make teaching easier with Student's Book and Workbook interactive activities, vocabulary and grammar games, complete audio and video material.

MyEnglishLab – improves students' results through an individualised learning experience, with extra resources and a detailed gradebook.

FANTASTIC TEACHER SUPPORT

Focus resources for teachers provide the ultimate help in preparing and conducting lessons in an effective and time-efficient way.

Focus British English edition: pearsonELT.com/focus
Focus American English edition: pearsonELT.com/focus/american

Focus

Sue Kay, Vaughan Jones

Bringing learning into focus!

Focus is a rich, varied and clearly structured upper secondary course that provides motivating content and a reliable exam preparation path. Its methodology is built around the concept of 3Ms – Motivation, Memory and Meaning that underpin the benefits of the course for learners and signal its pedagogical effectiveness to teachers.

General English

Let's support our learners in achieving the results they deserve

Adult learners with busy lives can struggle to move forward. At Pearson, our mission is to provide practical tools and motivating content to help people make progress and achieve results they can measure and celebrate.

How are your students getting on?

Take a look at how Pearson's General English courses are mapped and aligned to GSE objectives.

Steve Oakes

Speakout Author 2017

If, as teachers, we're preparing our learners to use English in the real world, much of what happens in the classroom needs to act as a bridge to that real world. Even at low levels learners need to develop not just the skills but also the strategies and the attitude to interact with language as it's actually used, and in a meaningful way, building on what one does understand, taking an achievement-oriented approach to self-expression, and not bogged down by the inevitable gaps in understanding and limitations in expression.

This is where authentic materials, relevant topics and personalized tasks come in; the learner learns to function 'inside' the language, rather than as an observer looking wistfully in from the outside. I see one of my key roles as a teacher to identify and use learning materials and classroom processes that help make all this happen.

Courses for adult learners correlation chart

This chart shows the level of each product against the Global Scale of English and the CEFR. This will help you to choose the course which best fits your students' needs.

Global Scale of English		10	20	30	40	50	60	70	80	90
CEFR		<A1	A1	A2+	B1+	B2+	C1	C2

**TWO NEW LEVELS
COMING IN
2018**

speakout ^{2ND} EDITION

Real English in your classroom

Speakout's two new levels build on the existing course to bring you high-interest content at Intermediate Plus and Advanced Plus.

Speakout's balanced approach to topics and language development develops all skills systematically, building students' confidence to communicate effectively.

Speakout Extra bank of additional materials:
DVD, Grammar, Pronunciation, Reading & Listening,
Vocabulary and Writing

Discover more at: pearsonELT.com/speakout

Developed in association with
BBC Worldwide and BBC Learning English

2nd Edition

Antonia Clare, Frances Eales, Steve Oakes, JJ Wilson

Speakout is a comprehensive General English course for young adults and adults. It features BBC content throughout and helps learners increase their confidence in all skill areas, with a strong focus on spoken and written communication.

New in the second edition:

The most popular **BBC video** clips with wonderful new material from the BBC.

A wider range of **reading and listening texts** that reflect what learners come across outside the classroom.

A **stronger pronunciation syllabus** with a wider range of pronunciation features.

Improved design and navigation, including dramatic images to introduce each new unit.

Speakout Extra provides a bank of additional grammar, pronunciation, reading & listening, vocabulary and writing skills exercises.

MyEnglishLab provides learner feedback and makes it easier for teachers and learners to track their levels of achievement.

American

SPEAK OUT

Based on Speakout 2nd Edition, American Speakout follows a balanced approach to topics, language development and skills work. Speaking activities are prominent, but not at the expense of the other core skills of reading, writing, and listening.

- Comprehensive six-level General English course
- Authentic video, audio, and texts
- Build confidence in all skill areas, particularly speaking
- Covers all skills with a strong focus on spoken and written communication

Top Notch

3rd Edition

Joan Saslow & Allen Ascher

The bestselling course that teaches the world English, now in its third edition.

Top Notch builds student confidence to communicate through an expanded speaking pedagogy and prepares students for academic work through the development of critical thinking skills and reading and listening strategies.

With a new, modern design and tools that make teaching more effective, the third edition will help you get the most out of your students.

New Conversation Activator Video

This unique video component dramatizes all of the conversation models, demonstrating how to personalize and extend them, greatly increasing students' oral expression.

New Pronunciation Coach Video

This video helps students achieve more accurate pronunciation. A video Pronunciation Coach demonstrates, clarifies and provides simple guided practice of each unit's pronunciation topic.

New Grammar Practice Activities

Every grammar presentation now includes additional exercises, available in both printable and digital format.

New Teacher ActiveTeach software for in-class presentation, planning assessment and extra support includes:

Digital Student Book with interactive activities and instant access to audio, Conversation Activator Video, Pronunciation Coach Video, new Digital flash card player, Method's Handbook for professional development, detailed lesson plans, answer keys and audio/video scripts, ready-made achievement tests plus editable tests as well as extra worksheets and more.

New Top Notch GO app gives your students the flexibility to listen to the full audio programme outside the classroom whenever and wherever they want.

Summit

3rd Edition

Joan Saslow & Allen Ascher

This new edition helps develop confident English speakers to navigate a host of social and professional situations, giving high-intermediate learners an integrated set of communication skills. It delivers immediate, demonstrable results through its goal- and achievement-based pedagogy and continual recycling of language.

The two levels of Summit can be used with Top Notch as the fifth and sixth books in a complete six-level series.

New in the third edition:

- New **Conversation Activator** videos build communicative competence.
- New **Discussion Activator** videos increase range and depth of expression.
- **Test-taking Skills Booster** and extra challenge exercises help students succeed in the reading and listening sections of standardized tests.
- A lot more **grammar, reading, listening and writing practice**, and digital grammar exercises give students the additional practice they've requested.
- **Memorable models** build natural, social language and conversation strategies.
- 50+ **listening tasks** at each level develop crucial listening comprehension skills.
- The **ActiveTeach** is a digital version of the Student Book with lesson plans, assessment tools, and access to audio, video, and exercises to make learning more focused and interactive.
- **Fluency-building planning activities** help students express themselves with confidence.
- **More ready-to-use teacher resources** than other courses – ideal for busy teachers.

3rd Edition

Sarah Cunningham, Peter Moor with Araminta Crace and Jonathan Bygrave

This fully-revised edition builds on the task-based learning approach that has made Cutting Edge so popular. With fresh, new, integrated DVD material and digital components, learners can be confident of improving their language skills through a carefully balanced range of activities.

New features include World Culture lessons that encourage the discussion of contemporary global issues and Language Live lessons that enable students to practise functional language and writing skills.

MyEnglishLab is the perfect way for students to practise when and where they want and instantly get their grades and feedback.

Workbook audio and videos are available at english.com/cuttingedge3e.

"It's a very exciting time to be involved in learning a language because there is just so much out there. The challenge is how to make sense of it.

People realise the internet is out there and there's lots of English on it but it's very, very difficult for a student to find their way through that information. So what we tried to do is guide them carefully, so that task becomes something manageable, do-able.

These are the kinds of skills people need nowadays and this is what people are doing – researching things on the internet, so the more we can connect the classroom material with the real world out there, the better."

Peter Moor & Sarah Cunningham on Cutting Edge 3rd edition

Side by Side Extra

Steve Molinsky, Bill Bliss

Side by Side Extra enhances the proven methodology of the Side by Side series with the all new eText. This flexible tool can be used in-class to compliment the program’s dynamic conversational approach. The eText supports independent practice for self-paced learning, including complete audio.

PEARSON
ENGLISH
INTERACTIVE

Powered by **MyEnglishLab**

Teach English, Anytime, Anywhere!

- 4-level online course, each with over 100 hours of content
- Log in on your computer or tablet
- Help your students become better communicators using International English

WHAT IS PEARSON ENGLISH INTERACTIVE?

Pearson English Interactive is an online course to help busy adults improve all four skills to become better communicators using International English.

Access Pearson English Interactive **whenever you want** to: from any computer or tablet – at work, at home, in a café – anywhere.

It's **simple and convenient** to use so you can spend your time checking students' grades and progress, and assigning homework, quizzes and tests.

Save time checking your student's progress. View their progress reports (including time on task), course grade book and scores for activities, quizzes and tests online at a glance or in detail.

Want to skip an activity? Don't like a quiz? Your class is ambitious and they want to do EVERYTHING. Done, done, and done – at the click of a button. **Customize** your course syllabus to meet your class needs.

Engage your students with hours of interactive videos where they listen and repeat or play a role in conversation and dialogue. In Levels 3 and 4, an ongoing drama which might even get you hooked as you watch the unfolding story.

There's no need to worry about assessing your students speaking and writing in the classroom. Listen to their digital recordings, check their written work and assess their progress – **all online**.

New Total English

Diane Hall, Mark Foley, Araminta Crace, Rachael Roberts, Antonia Clare, Richard Acklam, JJ Wilson, Jonathan Bygrave

With a clear structure and can-do objectives in every unit, New Total English is a straightforward, teacher-friendly course with time-proven methodology. It gradually builds up all the necessary knowledge to help students achieve their learning objectives.

Market Leader 3rd Edition Extra

3rd Edition
Extra

David Cotton, David Falvey and Simon Kent

Market Leader Extra is a five-level English course for students who want to learn English and learn about business, and for business people who want to advance their careers.

It has been developed in association with the Financial Times, one of the leading sources of business information in the world. Financial Times material introduces students to topical business issues and builds the professional language and communication skills required for the modern world of business.

- Business skills lessons offer the learner a task-based, integrated skills approach to the development of core business skills such as Presentations, Negotiations, Meetings and Small Talk.
- Premier Lessons: a constantly updated bank of lessons based on the latest *Financial Times* articles available on MyEnglishLab.
- BEC support: dedicated support for The Cambridge Business English Certificate reading and writing elements.
- Split editions: half a coursebook and half of the equivalent practice file, perfect for short and intensive courses (based on original 3rd edition texts).

Teacher's Online Resource Material and notes for the Extra business skills lessons are available on the website, along with video worksheets and supplementary support materials.

Expert

First: Jan Bell and Roger Gower

Advanced: Jan Bell and Roger Gower

Proficiency: Megan Roderick and Carol Nuttall with Nick Kenny

Score top marks with this intensive exam preparation course – now fully revised for the updated Cambridge English 2015 exams.

Expert provides rigorous exam training for high-achieving students while continuing to develop language awareness and communication skills. This intensive course will satisfy your students' practice needs and allow them to achieve their full potential. If you want to teach your students at the level of the exam from the beginning of the year, use Expert.

Expert First and Advanced

Completely in line with the 2015 exam specifications, the third editions of these successful titles will ensure your students succeed.

Students will love MyEnglishLab, the innovative online learning tool that offers comprehensive training and practice for the First and Advanced revised exams. In 2015 with fully updated Students' Resource Books at each level, for even more intensive exam practice.

Expert Proficiency

Completely in line with the 2013 exam specifications, this is the only course which has been written especially for the revised Cambridge English: Proficiency exam.

Expert's secrets for success include: Word Check boxes to develop vocabulary, more listening practice than ever before, emphasis on language chunks, focus on Use of English tasks, special support for the new writing tasks and the digital Teacher's eText ActiveTeach which includes the Coursebook in interactive format, plus test masters, games, and reference sections.

EXPERT IELTS

Rigorous test training for students who also want to improve their language skills

Expert IELTS is the new Expert course that trains students in all parts of the International English Language Testing System (IELTS) test. While improving their scores and language proficiency, it helps students get the band score they need to achieve their goals, whether it's a better job, university entrance or a visa.

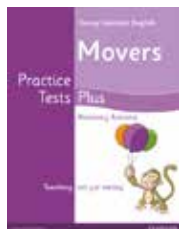

- Test training and practice boost students' confidence to get the band score they need.
- Regular assessment and analytical activities encourage students to identify their strengths and where they need to improve, engaging them as they learn.
- Test strategies show students how to tackle each test task type.
- Writing, grammar, speaking and listening activities help students develop the skills they need to get the best out of the IELTS test.

Pearson

Pearson English Language Assessments

Our products span traditional paper-based tests through to computer-based tests that harness unique, innovative technologies to test and assess English proficiency across a range of skills: grammar, vocabulary, speaking, writing, reading and listening.

We have a market leading position in high-stakes testing (PTE Academic) and are investing in our proficiency portfolio to align closely with ELT courseware to serve teaching and learning in unison.

- Testing can be used to indicate a learner's current level of language proficiency, measure their progress to inform teaching, or certify their ability.
- English tests can also open doors to university enrolment, employment and migration opportunities where English proficiency is a requirement.

Pearson English *Assessment*

Pearson offers fast, flexible English exams for university entry, business skills, general English and young learners.

LONGMAN

Dictionaries

More than words

PEARSON

Why choose Longman dictionaries?

Easy to use and understand

Our learner dictionaries use commonly used words to make understanding easy, whatever your level.

Improve communication skills

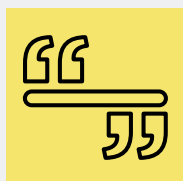

Our learner dictionaries help you learn vocabulary and understand words in context.

Develop natural English

Our learner dictionaries use definitions and include whole, authentic sentences to help you develop natural English.

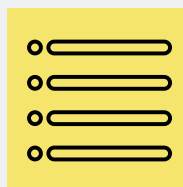

What makes Longman dictionaries better?

Why invest in a Longman dictionary?

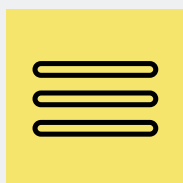

Definitions

Definitions are written using only 2,000 common words, so they are easy to understand, whatever your level. The most common meanings come first, so it is quicker to find the meaning you are looking for.

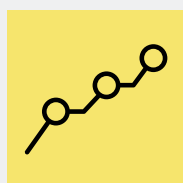

Academic Word List

Words from the Academic Word List are highlighted to help you focus on learning academic vocabulary, so you can understand academic texts better.

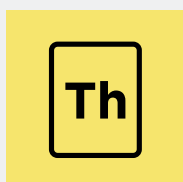

Example sentences

Corpus-based examples show authentic English, and how words are used in context, to help you develop natural English.

Collocations

Improve your fluency with the highlighted common word combinations and express yourself naturally.

Thesaurus

Synonyms have definitions and example sentences, helping you expand your vocabulary

Grammar

Key grammar explanations help you write and speak correctly.

Longman Communication

- Research shows you need to know roughly 9000 word families to understand a wide variety of authentic texts. Based on the latest research, Longman have now created a list of the 9000 most frequent words in English – the Longman Communication 9000.
- The Longman Communication 9000 has been developed from the Longman Communication, which features the 3000 highest frequency words and is still used in some of our dictionaries.
- The Longman 9000 represents the core of the English language. It shows you which words are the most important to learn for effective communication.

Look inside

See how Longman Dictionaries are constructed to help teachers and learners understand and develop their level of English. On the opposite page is an example from the new, 6th edition of the Longman Dictionary of Contemporary English.

Example signposts

Frequency

The most important 9000 words to learn in English are highlighted in red. ●●● indicates the top 3000 words; ●●○ indicates the next most important words; ●○○ indicates the less frequent yet important next 3000 words.

Spoken English

S1, S2 and S3 means that the word is one of the 1000, 2000 or 3000 most common words in spoken English.

Written English

W1, W2 and W3 means that the word is one of the most common words in written English.

Academic Word List

This label indicates that a word is included in the *Academic Word List*. These are important words to know if you are studying or are writing academic assignments.

ev-i-dence¹

Part of speech

Words that have the same spelling, but have different parts, are listed separately and given different numbers. This is highlighted in the yellow circle above.

'eɪdəns

Pronunciation

Pronunciation is shown using the International Phonetic Alphabet (IPA).

If the British and American pronunciations are different, the British pronunciation is shown first and the American pronunciation has a dollar sign in front of it.

evidence

610

ev-i-dence¹ /'eɪdɪns/ ●●● S2 W1 AWL n

1 [U] facts or signs that show clearly that something exists or is true: [+of] *At present we have no evidence of life on other planets.* | [+for] *There is no evidence for these claims.* | **evidence that** *Do you have evidence that this treatment works?* **THESAURUS** **SIGN**

2 [U] information that is given in a court of law in order to prove that someone is guilty or not guilty: *Murrow's evidence was enough to convict Hayes of murder.* | *He refused to give evidence at the trial.* | [+against] *There was very little evidence against the two men.* | **in evidence** *The documents may be used in evidence at the trial.*

3 be in evidence *formal* to be present and easily seen or noticed: *The police are always in evidence at football matches.* → **KING'S EVIDENCE, QUEEN'S EVIDENCE, STATE'S EVIDENCE**

GRAMMAR: Countable or uncountable?

● **Evidence** is an uncountable noun and is not used in the plural. You say: *The judge listened to all the evidence.* ✗ Don't say: *The judge listened to all the evidences.*

fresh evidence (=new evidence) *After a two-day delay, you're only going to get something if you find fresh evidence at the scene of the crime.* Jeff grinned evilly as he

medical/scientific evidence *There isn't any medical evidence to support the claim.*

reliable/credible (=which people can trust or believe) *Do you think their evidence is reliable?* *Poverty is one of the greatest social evils of our time.* | *the evils of capitalism*

flimsy (=not good enough to make you believe something) *Their conclusions are drawn from some very flimsy evidence.*

convincing/compelling (=making you feel sure that something is true) *The data provides compelling evidence that the climate is changing.*

overwhelming (=when there is so much evidence that you are sure that something is true) *The evidence against him was overwhelming.*

1 [C] something that is very bad or harmful: *She wanted to protect her children from the evils of the outside world.* | *Poverty is one of the greatest social evils of our time.* | *the evils of capitalism*

2 [U] cruel or morally bad behaviour in general (OPP good): *There is too much evil in the world.* | *the eternal struggle between good and evil* → **the lesser of two evils** at LESSER(2), → **necessary evil** at NECESSARY(3)

'evil-doer n [C] *old-fashioned* someone who commits crimes or does evil things

'evil-minded adj immoral and cruel, and likely to cause a lot of harm or damage: *an evil-minded dictator*

Longman Photo Dictionary of American English

The Longman Photo Dictionary of American English is a vocabulary resource for beginning students that makes learning 3,000 targeted words easy. The clear color photographs help students learn words in context. The Workbook is an excellent supplement that recycles the words from the dictionary to help students use and remember the words they are learning.

- 1,000 color photos arranged thematically/contextually.
 - 94 topics that are a part of every student's life.
 - Conversation activities cover basic grammar points.
 - Pronunciation of all words plus listening activities on CDs.
 - Multilingual edition features full glossary in Spanish, Korean, and Vietnamese.
 - Workbook with over 400 exercises and activities cover a variety of tasks such as matching, categorizing, completing analogies, and creating sentences.

Grammar

Let's get to grips with grammar

Pearson's grammar titles provide the tools you need to understand the mechanics of language, and use it correctly.

Stacy Hagen

Co-author Azar-Hagen Grammar Series

...insight from cognitive science is the importance of presenting information in bite-size pieces. Breaking down exercises into shorter pieces or subtasks can help reduce the working memory load. Incremental step-by-step practice helps students absorb material better. Long grammar charts are useful references for teachers, but students benefit more from practicing fewer points at any one time.

Grammar correlation chart

This chart shows where each of our products fit with the CEFR. This will help you to choose the course which best fits your students' needs.

Azar-Hagen Grammar Series

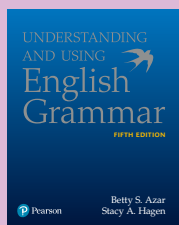

4th Edition

Betty S. Azar and Stacy A. Hagen

Clear, direct and comprehensive, the Azar-Hagen Grammar series uses a grammar-based teaching approach, blending grammar methodology with communicative methods. Grammar is used as the starting point for the development of all language skills – speaking, listening, reading and writing. The Azar-Hagen Grammar series describes how English works and uses grammar as a springboard for interactive, communicative practice opportunities.

New MyEnglishLab (Basic and Fundamentals) offers online instruction through a dynamic combination of interactive exercises, animation, readings, audio and voice recordings with gradebook.

5th Edition

Understanding and Using English Grammar has been updated to a 5th edition.

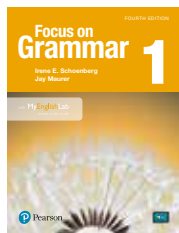

New in this edition:

- Tests at the start of each chapter enable learners to check what they already know.
- Updated grammar charts highlight differences between written and spoken English.
- A chapter on article usage.
- A variety of readings include reviews, articles on current topics, and blogs on student success.
- Extra practice to help students grasp concepts better.
- Step-by-step writing activities are supported by tips, and pre-writing and editing tasks.
- Essential Online Resources include Student Book audio, Student Book answer key, Grammar Coach videos, and self-assessments.
- Updated MyEnglishLab provides online practice for all skill areas with instant feedback, gradebook and diagnostic tools, grammar videos and expanded practice.

5th Edition

Irene E. Schoenberg, Jay Maurer, Majorie Fuchs, Margaret Bonner, Miriam Westheimer

This contextualized and integrated four skills approach supports accuracy in grammar and fluency.

Focus on Grammar is the most popular contextualized grammar series worldwide. Its unique four-step approach takes students from context to communication — blending content, reading, writing, listening, speaking, and critical thinking in a complete program. Centered on thematic instruction, Focus on Grammar combines comprehensive grammar coverage with abundant practice, critical thinking skills, and ongoing assessment, helping students communicate confidently, accurately, and fluently in everyday situations.

New in the fifth edition:

- Content centered on current topics, and grammar charts and notes updated.
- Expanded communicative activities encourage collaboration and the correct use of grammar.
- From Grammar to Writing section shows students how to use grammar when writing.
- Assessment tools, including diagnostic tests, formative and summative assessments to inform your teaching and measure progress.
- Essential Online Resources include Student Book audio, answer keys, Grammar Coach videos, self assessments and teacher’s resources.
- Updated MyEnglishLab offers extra practice and grammar videos with immediate feedback and remediation tasks to improve accuracy.

“Focus on Grammar helps EFL students... to acquire grammar skills to put into use, instead of just

answering test/exam questions. Also it helps students recognize knowing the rules is not the goal of learning grammar.”

Seiko Oguri, Chubu University, Language Centre, Japan

MyGrammarLab

(B) (BE) 3 LEVELS (A1 C1)

Diane Hall, Mark Foley

Think all grammar courses are the same? Think again...

MyGrammarLab teaches grammar through a unique blend of book, online resources and a mobile app – offering every learner of English the opportunity to study grammar in the way that best suits their needs.

The MyGrammarLab series takes learners from elementary to advanced grammar, each level benchmarked against the Common European Framework, and provides grammar practice for internationally recognised exams.

With its learning hints and tips, immediate feedback, automatic grading and grammar tutor videos, this course is ideal for self-study, as well as being a great grammar reference and practice companion to your English language course.

Advanced Grammar

(B) (AE) 1 LEVEL (B2 C1) (GSE 65 78)

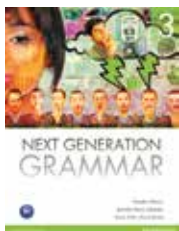

Helen Hoyt Schmidt

Advanced Grammar prepares English language learners for the challenges of academic work. Its unique approach helps students master written grammar with the use of authentic academic sources and prepares them to read extensive academic texts, write and present using academic language, and process complex academic content. Advanced Grammar focuses on the academic forms and uses of grammatical structures without oversimplifying either the content or the grammar structures.

Truly for a new generation – one that's busy, mobile and demanding.

Next Generation Grammar is a blended (print and online) grammar program that helps prepare students to communicate accurately and effectively in both writing and speaking. Together with digital resources MyEnglishLab and ActiveTeach, Next Generation Grammar offers a 21st century learning experience that engages learners and instructors alike.

- Make the most of your teaching through a blend of Student Book (available in print and as an eText) and online content. so you can spend more time on meaningful communicative work.
- MyEnglishLab, the online component, offers a wealth of dynamic multimedia content to keep learners focused and engaged.
- Includes interactive activities, grammar reference material, audio files, test material, and video reviews.
- Extensive assessment suite for targeted instruction.
- Interactive assessments (including timely feedback, goal tracking, and achievement reports) allow learners to see which areas they have mastered and which require more review.
- ActiveTeach is a powerful electronic resource that provides the perfect solution for seamless lesson planning and exciting whole-class teaching.

Oral Communication – Series Editor: Robyn Brinks Lockwood

Reading – Series Editor: Lawrence Zwier

Writing – Series Editor: Maggie Sokolik

University Success is a course for English language learners transitioning to mainstream academic environments. Authentic content, including lectures and readings from Stanford University professors, is woven through all three strands providing intensive skill development.

The **Oral Communication** strand builds skills that prepare students to understand and process lengthy academic lectures, defend their ideas, utilize the text to present concepts, speak thoughtfully in discussions, and contribute to group projects.

Skills include:

- turn taking and active participation.
- elaboration.
- emphatic argumentation.
- recognizing asides and digression.

The **Reading** strand builds skills that prepare students to become fluent, automatic, and competent readers who can compete with native speakers.

Skills include:

- patterns of cohesion.
- tolerating ambiguity.
- recognizing rhetoric.
- skimming, scanning, and deeper reading.

The **Writing** strand supports students through the writing process and advances them beyond the production of highly structured essays.

Skills include:

- developing a research question.
- supporting claims, facts, and opinions.
- understanding satire.
- synthesizing information from multiple sources.

Contemporary Topics

4th Edition

Level 1	40–51
Level 2	48–61
Level 3	58–66

Series Editor: Michael Rost

Now in its fourth edition, Contemporary Topics expands on its highly respected approach to developing academic listening and study skills. Organized around realistic college lectures, the text guides learners through carefully sequenced activities in skills such as note-taking, focusing attention, intensive listening, and vocabulary building. It also helps students evaluate their interests and explore possible career paths.

- Students are exposed to core academic vocabulary.
- Collaborative activities, presentations and peer evaluations help students develop critical thinking skills.
- Unit comprehension tests assess students’ understanding of the lectures.

New to this edition:

- New subject areas, presented as one-on-one academic lectures, emphasize professional applications, such as software engineering, multimedia design, information technology, urban planning, and social psychology.
- Learning outcomes listed at the start of each unit show students the unit’s goals and what they will learn.
- New audio interviews with experts provide context for unit lectures.
- Bottom-up listening and pronunciation exercises emphasize important principles and improve realtime perception.
- An oral presentation activity, with preparation and delivery support, at the end of each unit includes the opportunity for peer evaluation.
- Proficiency assessments simulate the TOEFL-style test with short academic audio lectures and multiple-choice exams.
- **Essential Online Resources** include audio, video, and teacher materials (assessments, teaching notes, answer keys, audioscripts, presentation points, and more).

NorthStar

4th Edition

Series Editors: Francis Boyd and Carol Numrich

John Beaumont, A. Judith Yancey, Natasha Haugnes, Beth Maher, Laurie Barton, Carolyn Dupaquier, Andrew K. English, Laurie Monahan English, Robert F. Cohen, Judy L. Miller, Polly Merdinger, Robin Mills, Laurie Frazier, Helen Solórzano, Jennifer P. L. Schmidt, Tess Ferree, Kim Sanabria, Sherry Preiss

NorthStar’s thought-provoking authentic content engages students intellectually, encouraging personal expression, critical thinking and language use outside the classroom. A variety of online assessments allows teachers to individualize instruction and track student progress. The series is split into two strands:

Reading and Writing helps students become better writers, exposing them to explicit language forms and structures in a variety of contexts. Concise presentations and targeted practice build students’ language proficiency.

Listening and Speaking reinforces explicit language skills, while pronunciation and speaking practice help students express their ideas better. Group projects inspire students to inquire further and use the language in the real world. Projects involving internet research help students build digital literacy skills.

The Interactive Student Book, providing a fully blended experience, prepares students for academic success and digital literacy.

- All Student’s Book and MyEnglishLab activities report to the gradebook.
- Teachers can track student progress after every activity.
- Students get immediate results and take control of their learning.

Ready to Write

Karen Blanchard, Christine Root

Ready to Write provides guided instruction and dependable strategies, and helps students develop effective composition skills for academic study or their personal life. This new edition has been completely redesigned and includes a variety of new resources and activities:

- Essential Online Resources contain the answer keys, plus additional activities for extra practice in grammar for writing with a focus on basic punctuation, writing mechanics, and paragraph structure.
- Extensive practice guides students through all the stages of composition as they move from personal to academic writing.
- Activities and resources to help students with real-life tasks, improve accuracy and coherence in writing paragraphs, and increase their topic-based vocabulary.
- New learning outcomes motivate students as they can easily see what their learning goals are and how well they have done.

Speech Communication Made Simple

Dale and James C. Wolf

Speech Communication Made Simple takes an interactive, accessible approach to building confidence as a speaker. Varied speech genres prepare students for success in both presentations and academic discussions.

Highlights

- Scaffolded approach includes directed discussion of a model presentation; skill-building exercises for selecting a topic, organizing information, and more; practicing aloud; and finally, delivering a speech.
- Pronunciation Practice focuses on American English pronunciation patterns that are difficult for most nonnative speakers of English.
- Playing with Sayings section presents idiomatic sayings and related activities that help students understand and use them in speech.
- **Online Teacher's Manual** includes teaching suggestions, answer keys, and quizzes.

Longman Academic Writing

Alice Oshima, Anne Hogue, Linda Butler

This series develops writing from basic composition to academic essays and research papers with guidance on the whole writing process, clear explanations, extensive practice, and consistent coverage of sentence mechanics and grammar.

New Essential Online Resources include grammar for writing and sentence structure activities, teacher support material, teacher's manual, and assessments.

The new Interactive Student Book helps students and teachers to assess the writing process better. Teachers can monitor student performance to personalize learning.

Longman Academic Reading

Elizabeth Böttcher, Kim Sanabria, Judy L. Miller, Robert F. Cohen, Robert F. Cohen, Judy L. Miller, Lorraine C. Smith

This series prepares students for academic work, with readings from a variety of subjects, including art history, nutrition, American literature and forensics. It helps build essential skills and strategies for effective reading, vocabulary building, note-taking, and critical thinking. By encouraging students to discuss and write about the topics, students also become better speakers and writers of English.

New **Essential Online Resources** include reading comprehension activities, reading faster activities, teacher's manual and assessments.

Professional Development for Teachers

*Let's learn together with the brightest
and the best*

Thousands of teachers worldwide have used our teacher resources to learn the essentials of language teaching, to keep in touch with new trends or just to get some great new ideas for the classroom. Join Pearson's worldwide community of the brightest and the best in English teaching by following our blog at english.com/blog

Jeremy Harmer

ELT writer, presenter, teacher and trainer

However good an education system is, in the end it is the teachers who make the difference – who motivate their students, give them appropriate feedback on their progress and guide them to learn the things they need.

But who does this for the teachers themselves? Hopefully the place they work at and the development opportunities they are offered and take. But they need the help, support and knowledge of other professionals from across the English language teaching field too, and that is what these teacher resources aim to provide – a rich resource of ideas, suggestions, discussion and inspiration. That's what the material in this section of the catalogue offers, and I hope you will find something here to help you with your continuing journey through the exciting life of education.

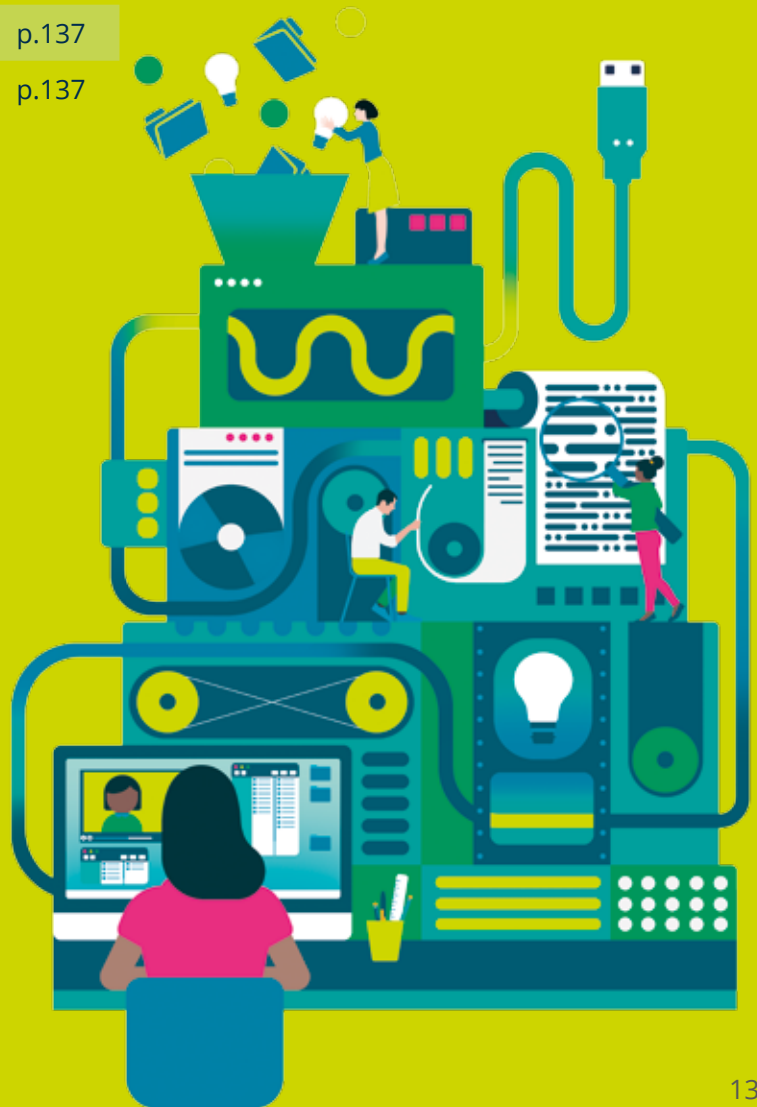

Are you looking for a book to get a better understanding of teaching culture?
Do you want to take an online study course and gain a recognised certificate?
Or do you need a complete teacher training solution?

Here you'll find a wealth of experience available for you to read, watch or join in with online.

Don't forget you can also find more professional development ideas on the website.

The Practice of English Language Teaching

P

5th Edition

Jeremy Harmer

The Practice of English Language Teaching is the essential guide for teachers of English. It explains current pedagogy to teachers who want to access the most relevant ELT practices and incorporate them into their lessons.

The fifth edition has been revised to reflect the latest developments in language teaching. Twenty chapters provide a storehouse of information and ideas, whereas the DVD shows whole lesson progression and management, including interviews with teachers about how they structured their class and why.

The material addresses new topics such as the rise of CLIL, flipped classrooms, learner efficacy as well as the development of soft skills like critical thinking, intercultural competence, presentation skills, digital literacies and other 21st century skills.

“A cornerstone for all English language teachers and trainers.”

ESU judges

Essential Teacher Knowledge

P

3rd Edition

Jeremy Harmer

Essential theory, practical teaching advice and classroom ideas are all presented across two page units, in full colour. Written in accessible English, Essential Teacher Knowledge is ideal preparation for Teaching Knowledge Test (TKT) and other entry-level teacher qualifications or as a handbook for any EFL teacher.

Also included in the book are:

- A DVD showing key teaching techniques and teachers from around the world sharing opinions and ideas about key issues for the global English teaching community
- PIN-coded access to extra online material

Principles and Classroom Practices

A complete reference covering designing and assessing the four skills, grammar and vocabulary, plus a chapter on beyond testing make this a great read for any teacher.

	ISBN
Book	9780138149314
eText Access Code Card	9780133041927

In the day-to-day reality of a teacher's hard-pressed life, it's sometimes difficult to remember what teaching is really for!

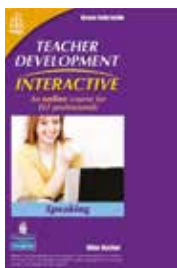

I can still remember my first teaching practice in front of real students, it was terrifying! Like so many people I didn't know even the basics, so where do you find that initial knowledge or develop your skills further?

Today teachers want books that are enjoyable, informative, fun and easy to read and we hope that's what you'll find here.

Just remember, even if you're only half as good as most teachers are, something extraordinary will happen as you walk through the door and the teacher in you kicks in. It may not be the best lesson ever, nor the nicest group you've ever taught, but when the magic works, you suddenly know with a great sense of satisfaction exactly what teaching is for.

Jeremy Harmer, Talks about Teacher Development

Teacher Development Interactive

An online course for ELT Professionals

An online course to train and certify teachers to deliver effective instruction in English as a foreign language. Teacher Development Interactive offers 6 modules each providing the flexibility to study at a pace to suit you anytime, anywhere. Join us today and begin your journey towards an internationally-recognised TESL/TEFL certification. Please contact your local office to find out more or self study and blended options.
